E. FINANCIAL POLICIES

Yearly Tuition Rates and Registration Fees are recommended by the School Committee and approved by the Parish Pastoral Council, the Finance Board and the Pastor. Our Lady of Perpetual Help Parish and other area Catholic parishes subsidize the school for the difference between the actual cost of education and tuition charged to each family. Pre-registration for existing OLPH students takes place in late winter (generally February). **A non-refundable Pre-Registration/Technology fee of \$240 for PK, \$350 for K - 5th and \$450 for 6th - 8th per student** reserves a child's place in school for the upcoming school year. The registration fee for new students is due at the time the student is accepted **and is non-refundable**. Students who start school after the school year begins are required to pay the full registration fee. The registration fee must be paid in full for all students regardless of when they begin the year. All other fees, such as Home and School, Booster Club, Creative Arts Guild, are due on registration day. All tuition and fees that are not current at the end of the school year will prevent a student from receiving the final report card and/or the transfer of school files to another school.

All families are expected to pay in **one sum on July 1st or in equal monthly installments, spread over 10 monthly payments (July through April) using the FACTS Electronic payment plan**. Yearly tuition is payable in full with a two percent discount by July 1st or in monthly installments by bank draft beginning July 5th or July 20th. Individuals or families who choose to pay in monthly installments will enter an agreement with **FACTS Management Company**, who will establish a monthly bank draft. If a FACTS payment is missed, a letter will be sent from FACTS with instructions on how the missed payment is to be resolved. A \$30.00 missed payment fee will be deducted from the account for each missed payment attempt.

There is an \$1200.00 8th grade activities fee that is required that covers the cost of the 8th Grade Trip, Camp Lookout, Etiquette Lunch, FOCUS Shirt and Graduation Expenses.

GUIDELINES FOR THE FACTS TUITION PAYMENT PLAN AS STATED TO PARENTS/GUARDIANS:

- The FACTS Tuition Payment Plan is a service provided by Our Lady of Perpetual Help School for OLPH School parents that allows tuition payments to be made over a period of 10 months, from July through April.
- Once the FACTS Agreement has been signed and is in effect, any change request must go through the Admissions/Tuition Director. Only **one** change to the FACTS Agreement may be made per signed agreement per school year. *(The FACTS organization requires 4 business days for any changes.)*
- In the event that financial institutions have changed or a bank account is closed, the Admissions/Admissions Director needs to be contacted immediately. *It will be necessary to make payments directly to the school during any interim period until the new bank account is opened.*
- **If there are two missed payments or difficulties in meeting the FACTS obligation, the Admissions/Tuition Director needs to be notified immediately. There may need to be a meeting with the Pastor and/or the Business Manager to discuss the situation. Continued missed payments with FACTS will require the family to pay tuition in full the following school year. If tuition is not current, report cards will be held.**
- The FACTS tuition payment plan will not be offered during the next school year if the above guidelines are not met. Full tuition payment will be required prior to July 1st.
- **Those using the FACTS Tuition Payment Plan have agreed in writing to the above conditions.**

TUITION REFUND POLICY

Regarding FACTS Tuition, if a student is no longer in attendance at OLPH School for any reason, the monthly FACTS Tuition payments will stop the month following the student(s) leaving the school. The Pre-Registration/Technology fee is non-refundable. Once a tuition payment has been received by the school it is non-refundable.

If tuition has been paid in full, please note:

- **If the child/children are no longer in attendance at OLPH School for any reason after the first nine weeks of school, there will be NO REFUND of the tuition that was paid in full.**

- If the child/children are no longer in attendance at OLPH School prior to the first nine weeks of the school year, there will be a pro-rated refund of the annual payment.
- If a student is expelled for disciplinary reasons, no refund will be made.

TUITION ASSISTANCE INFORMATION

Tuition assistance is available for OLPH Parish families, as well as Catholic families from all Chattanooga Deanery parishes, for students in Kindergarten through 8th grades. A Catholic family must have the Stewardship/Parish Contribution form (see Admissions) signed by their parish Pastor, or his representative. A copy of the Stewardship/Parish Contribution form will be sent to the Tuition Scholarship Evaluator of the Chattanooga Deanery Catholic Schools Operating Fund, who will then forward to the family the necessary paperwork that must be filled out to complete the tuition assistance process.

STUDENT ACCIDENT INSURANCE

This is provided for each student upon payment of student fees. Coverage is in effect while the student is at school or participating in a school sponsored event. This coverage is only for medical bills resulting from accidents. An accident is defined as an unexpected, sudden and definable event, which is the direct cause of bodily injury. Illness, disease, degeneration and conditions caused by continued stress to a particular area of the body and existing conditions aggravated or exacerbated by an accident are not covered.

TUITION REIMBURSEMENT INCENTIVE PROGRAM (TRIP)

Every family has the opportunity to earn credit toward the following year's tuition through our Scrip program. Purchasing Scrip gift cards instead of using cash or credit cards for groceries, gas, dining, clothing, home improvement, online shopping, etc. earns rebates which are tracked throughout the year for each family in our Scrip software. At the end of the school year half of the money earned is returned in the form of a tuition credit or a check payable to the family. Remaining funds are retained for the OLPH Annual Fund. More information and enrollment forms are available on the school website at <http://school.myolph.com/support/scrip.cfm>.

ON-GOING REDEMPTION PROGRAMS

Money from these projects is used to supplement school financial resources. Each year we participate in the following programs:

- **General Mills Box Tops for Education Program**
- **Food City Educational Rewards Program**
- **Inkjet/toner recycling**
- **Publix Partners in Education**
- **Coke.com/give**
- **Office Depot Give Back to Schools - (ID# 70092343)**

FUND RAISING ACTIVITIES

ALL activities must be approved by the Director of Development and the Principal and the date cleared on the calendar. Events that conflict with academic instruction may not be scheduled.

PARENTS INVOLVEMENT AND PARTICIPATION ("PIP")

Is a program designed to involve parents in school-related activities and events. Every family is required to participate in the PIP Program per school year at a minimum of 8 hours per child; 16 hours for two children, and 20 hours maximum per family of three or more children. All hours must be completed by the end of the school year. For those unable to meet the yearly requirement, PIP hours may be exchanged for a \$10.00 per hour cash donation payable to the OLPH Annual Fund. A \$300.00 maximum assessment will be charged per family. A list of activities that qualify as service for the PIP program will be available at registration and in the Development Office. PIP hours must be logged by parents on their ParentsWeb Account. Special circumstances which may make it difficult for a family to complete the required number of hours should be discussed with the Development Director or Principal.

LUNCH

A hot lunch with milk may be purchased daily at a cost of **\$3.50 per student and we have salad bar every day for a cost of \$4.00.** Milk may be purchased separately at the cost

of 75 cents per carton and water is available for \$1.00. Parents are always welcome to join their child for lunch. The cost for an adult lunch is \$4.50 per adult. *Please call the school office to make a lunch reservation the day before your visit or by 8:15 on the day of the lunch.*

- **Food and Nut Allergies:** Precautions are taken to ensure the safety of students with food allergies. We ask that no nut products be brought in to school for treats in the classrooms. We prefer no food with nuts or nut by-products be brought for lunch. However, students that choose to bring food with nuts will sit at a designated table. This enables us to monitor easily and make sure those tables are completely clean from peanuts and residue after lunch.
- **Lunch Accounts:** All hot lunches or milk are purchased through a debit system. At the beginning of every month, a payment based on **an estimate** of each student's usage should be sent to the school or make payments through Renweb. All payments are to be marked with the student's full name(s) and homeroom(s). If a family has more than one child, the accounts for all children within one family will be shared. The lunch account balance is available on the ParentsWeb family account. Bi-monthly statements are e-mailed. Questions regarding a balance are addressed to Teresa Hale via e-mail, thale@myolph.com. All accounts must be paid by the end of the school year in order to receive a final report card, or for transcripts to be forwarded.

PART II. SPIRITUAL LIFE

“Let no one look down on you because of your youth, but be a continuing example of love, faith, and purity to believers.” 1 Timothy 4:12

As Our Lady of Perpetual Help operates under the auspices of the Roman Catholic Church and the Diocese of Knoxville, the school maintains the threefold purpose of Christian education to teach doctrine, to build community, and to serve. Students enter Our Lady of Perpetual Help School from both Catholic and non-Catholic communities without regard to ethnic origin. While the school considers the needs of each student, the beliefs, values and traditions of Catholic Christianity underlie academic instruction and religious formation. All students are required to take religion classes each year they attend Our Lady of Perpetual Help School.

The Rite of Mass is celebrated daily at 8:15 a.m. Students attend daily Mass on the following schedule:

- Tuesday – 1st and 2nd graders
- Wednesday – 3rd, 4th, and 5th graders
- Thursday – All School Mass
- Friday – 6th, 7th and 8th Grades
- **Preschool and Kindergarten classes attend Mass on Holy Days of Obligation.**

Altar Servers are students who serve daily or Sunday Mass. After training, students in grades 4th through 8th serve at Mass.

Spiritual Retreats are planned for all grade levels.

Virtue in Practice/Home Project: “The goal of a virtuous life is to become like God.” A virtue is a habitual and firm disposition that allows an individual to perform good acts and give the best of him or herself. OLPH's Catholic Virtue Education Program focuses on teaching students, faculty, and families about Catholic virtue as outlined in the Catechism of the Catholic Church (Article 7; 1803). Each month a new virtue is introduced and integrated into daily curriculum and celebrated at an all school Mass.

"F.O.C.U.S." is an 8th grade initiative that encourages leadership in the students and challenges them to be all God wants them to be. **F.O.C.U.S.** is an acronym for friendship, opportunity, Christian faith, unity, and self-respect.

In the Catholic School there is no separation between time for learning and time for formation, between acquiring notions and growing in wisdom. The various school subjects do not present only knowledge to be attained, but also values to be acquired and truths to be discovered.

The Catholic School on the Threshold of the Third Millennium

A. ACADEMIC POLICIES AND PROCEDURES

Our Lady of Perpetual Help School follows curriculum standards as provided by the Diocese of Knoxville and the State of Tennessee. The intent of this curriculum is to provide the classroom educator with identifiable and measurable objectives in each subject area. All textbooks have been approved by the textbook committee of the Diocese of Knoxville. The core areas of study are: Religion, Language Arts, Mathematics, Science, Social Studies. Additional Related Arts classes include Art, Band, Music, Physical Education, Technology, Library, Guidance, and Spanish. Due to scheduling and availability, not all Related Arts may be available to all students.

- **Homework** assignments may include a continuation of work done during the day as a means of learning/retention, reading of material in preparation for class, study of material covered in class, and/or research projects, which require a longer period of time for completion. Students should expect to spend an average amount of time listed below on homework based on the student's grade level:

Grade 1 : 5 to 20 minutes	Grade 5 : 1 hour
Grade 2 : 15 to 20 minutes	Grade 6 : 1 to 1-1/2 hours
Grade 3 : 30 minutes	Grade 7 : 1-1/2 to 2 hours
Grade 4 : 45 minutes	Grade 8 : 1-1/2 to 2 hours

These time allotments for homework must, of necessity, be flexible. All children vary in their ability to perform any task. Parents are urged to help their child realize that study and review assignments are as vital and necessary as any written work. If a child chronically exceeds the amount of time listed when doing homework, please contact the teacher. After speaking with the teacher, if the problem persists, please contact an administrator. Missing/late assignments for Grades K-3 will be addressed at a developmentally appropriate level for each grade. Parents of students in grades 3 -8 will be notified of missing/late assignments via RenWeb. No late work will be accepted beyond 14 days after the assignment is due.

- **Home Planners/Agenda** are provided to students in the 3rd - 5th grades. These agendas are to be carried and used by the students daily. Grades 6th through 8th will check RenWeb.
- **Friday Folders** are provided to students in grades PreK - 4. This folder contains the students' work and will be sent home with the students every Friday. Parents should

review these papers, sign the folder, and send it back with the student on Monday. When a parent signs a Friday Folder he/she indicates to the teacher that the student's work has been reviewed and that the **parent is completely aware of how well his/her child is doing in each subject as well as in conduct.**

- **ParentsWeb (part of "RenWeb")** is an internet grade reporting and communication site in which parents and students are expected to review progress reports regularly. Teachers post grades, assignments and expectations on an ongoing basis so that parent(s) can monitor student progress. All parents are strongly encouraged to sign up. Contact the main office for assistance logging on to ParentsWeb. Middle school students, 6 - 8 will have their own email on RenWeb.
- **Parent Alert** is a mass notification system designed to send messages to parents via phone and email. **The cost of Parent Alert is \$3.00 per student, payable on Registration Day.**
- **Parent-Teacher Conferences:** Parents and/or teachers may set up appointments throughout the school year to discuss a student's progress. In addition, there is one date set aside in the fall for conferences. **Parents are encouraged to attend these conferences. Middle School students are encouraged to attend with their parents.**
- **Report Cards** are electronically sent home quarterly (every nine weeks). Grades reflect academic performance. The last report card will not be sent emailed, but will be picked up at the end of the school year. All financial accounts must be paid in full (lunch, tuition, before/after care, library books, and sports uniforms) before report cards will be given to the students and/or end-of-the-year records released.

STANDARDIZED TESTING

The IOWA Test of Basic Skills is administered in the spring to every student in the third through eighth grade. The primary purpose of this test is to determine individual/school strengths and weaknesses in order to enhance instruction. Results of the test are distributed to the parents. Cognitive testing (**COGAT**) is administered to students in Kindergarten, second, fourth, and sixth grades.

The NCEA ACRE (Religion assessment) is administered in the spring to students in the fifth and eighth grades.

PROMOTION REQUIREMENT

A student earning a final "F" average in reading or math for grades 3, 4 or 5, or a final "F" average in English Language Arts, Math, Science or Social Studies for grades 6-8, must make up the class in summer school as defined by administration. The school will hold the report card until requirements have been met. If the student does not meet the requirements prior to the beginning of the next school year, the student will not be promoted to the next grade, and the report card will be marked accordingly. Any school that has accepted a transferring student will be notified that the student has failed to meet the requirements for promotion to the next grade level. Students in 8th grade not completing the necessary requirements will be ineligible to receive a graduation diploma. The diploma and report card will be withheld until successful completion of a summer program as outlined in the above statements. Any high school that has accepted the student will also be notified.

B. ADMISSIONS

I. DIOCESE OF KNOXVILLE NON-DISCRIMINATION POLICY: Our Lady of Perpetual Help School admits students of any race, color, national and ethnic origin to all the rights, privileges, programs and activities generally accorded or made available to students at the school. OLPH does not discriminate on the basis of race, color, national and ethnic origin in administration of its educational policies, admission policies, scholarship and loan programs, and athletic and other school-administered programs.

II. PROCEDURE FOR ADMISSION: The following items are to be submitted to the Admissions Office for a student to be considered for admission to Our Lady of Perpetual Help School:

- A completed application and payment of the \$100.00 application fee (per student).
- Tennessee immunization health form

- Birth certificate
- Baptismal Certificate / First Communion Records (if applicable)
- Parish Affiliation form (Catholic students)

In order to be considered for admission, all of the above information and forms must be submitted. A Catholic family from OLPH Parish, or any parish in the Chattanooga Deanery, must have a Parish Affiliation form signed by their pastor or his representative in order to be eligible for the Catholic rate of tuition. The absence of any of this information may prevent a child from enrollment. Upon receipt of these documents, contact may be made for testing and interview. A review of the student's records, which shall include but not be limited to, report card and national "norm tests", shall be done prior to acceptance.

It is the parents' responsibility to provide any special need files for the student prior to acceptance. Failure to do so may result in the student being denied acceptance. If it is discovered after the student has been accepted, that records were withheld, the student may be asked to withdraw.

- Every effort will be made to limit classes to 25 students.
- Pre-registration for existing OLPH students takes place in late winter (generally February). A fee is determined at that time which reserves a child's place in school for the upcoming school year. **This fee (also referred to as the "Pre-Registration/Technology Fee") is non-refundable.** The registration fee for new students is due at the time the student is accepted **and is non-refundable.** The registration fee must be paid in full for all students regardless of when they begin the year. Parents must choose the tuition plan they will use for the next school year. Two plans are available:
 - One tuition payment due in full on July 1st with a 2% discount.
 - 10 monthly payments using the FACTS system. See "Financial Policies" for more details.

- For students admitted after January 1st, a pro-rated tuition must be paid in full; the monthly payment plan through FACTS Management Company is not available.
- Following pre-registration, admission will be opened to new students according to the following priorities:

- Students who wish to be considered for transfer within area Catholic schools during the school year must adhere to Diocesan Policy 1600:
 1. The principal of the school in which the student is currently enrolled must be notified.
 2. The Application/Admission process for the school to which the student wishes to apply must be followed.
 3. An agreement must be reached between the principals and pastors that the transfer is in the best interest of the student and the two parish schools.
 4. The principals should notify the superintendent of the final decision.
- **See “Financial Policies” for additional tuition information.**

C. ATTENDANCE POLICY

All students (Preschool through 8th) are expected to attend school regularly as mandated by the state of Tennessee. The Tennessee Compulsory Attendance Law and the Diocese of Knoxville Policy states that students who miss more than the allotted days due to absence may be retained in their current grade assignment.

Tardies: A student shall be considered tardy if not in the homeroom at 8:00 A.M. It is suggested that all students arrive at school between 7:45 - 7:55. This will allow preparation time for the start of the day. If a student arrives after 8:00 A.M., and the red light or the teacher on duty has left, the parent and child must sign in at the front office and the student will receive a tardy pass to class. Every student is allowed a grace period of 5 tardies per nine weeks. Excessive tardiness will be addressed by the principal.

Absences: If a child is absent for any reason, a note from the parent explaining the reason is expected upon the student's return to school. Parents should also call the school prior to 10:00 A.M. to let the office know the child will be absent. If the child visits a doctor, a doctor's note indicating the reason for the absence and the date the child may return is requested. After five unexcused absences, the Superintendent of the Diocese will be notified as stated in Tennessee Code annotated #49-6-3007 (Diocesan Policy #1050). After 10 absences, a doctor's note will be required for re-admittance to school. Parents are encouraged to make all medical appointments after school hours in order to avoid disruptions in the school day and absences from classes. The student must bring a note of explanation from a parent prior to dismissal. To be dismissed, the parent must sign the student out in the office and back in upon return to school.

Students must make up work missed during their absence from school. The student will be allowed 1 day per each day absent to turn in missed work or make up missed tests and quizzes.

Homework policies are as follows:

- **PreK - 2nd:** The student and teacher will work together to make up any missed assignments.
- **Grades 3rd - 8th:** Missing assignments may be accessed through ParentsWeb. Parents may request textbooks by calling the school office by 9:00 A.M.

Checkouts: To maintain a smooth school dismissal, children should not be checked out for appointments after 3:00 P.M.

D. STUDENT HEALTH AND SAFETY

First Aid: In case of illness, a student will be sent to the office. If the student's condition improves, the student will return to the classroom. If the student is still ill or requires further treatment, a parent or guardian will be notified to pick up the student. Children who have been running a fever (100 degrees or above) must be **WITHOUT A FEVER FOR TWENTY-FOUR HOURS** before returning to school. In the event of serious injury, 911 will be called.

SOCIAL MEDIA POLICY FOR STUDENTS

In order to establish guidelines for students' use of social media, the Diocese of Knoxville Catholic Schools Office promulgates the following policy. The intent is to ensure that students' use of social media is consistent with the purpose and mission of Catholic school education.

This policy does not attempt to articulate all required or proscribed behavior by students. Students must understand that one's personal use of social media is public in nature, and individuals give up any expectation of privacy when they engage in electronic communication. Students using social media, either for school or personal use, must be vigilant in representing themselves as responsible members of the Catholic school community when taking part in electronic communication that can be viewed publicly.

Guidelines for the use of social media by Catholic school students:

1. Students are expected to be respectful toward their peers when using social media. Bullying, harassment, disrespect, or threatening statements toward other students through social media will be addressed as a disciplinary issue if it has a negative effect on the safe and orderly environment of the school.
2. Students are expected to be respectful toward school personnel and other adult members of the school community when using social media. Communication that is disrespectful toward school personnel or other adult members of the school community will be addressed as a disciplinary issue.
3. Students should not request school personnel to “friend” them on a social networking sites.
4. Students should not post photos or videos of other members of the school community on social networking sites without their permission. Inappropriate graphics and/or images should never be posted by students on social networking sites. If activity of this nature interferes with the safe and orderly environment of the school, it will be addressed as a disciplinary issue.

In the Gospel of Mark, Jesus is asked, “Which commandment is the most important of all? Jesus replied, “The most important one is this: ‘Listen, Israel! The Lord our God is the only Lord. Love the Lord your God with all your heart, with all your soul, with all mind, and with all your strength.’ The second most important commandment is this: ‘Love your neighbor as you love yourself.’ There is no other commandment more important than these two.” (Mark 12.28-29)
The Catholic schools of the Diocese of Knoxville are committed to fostering a school environment based on Gospel values. Proactively teaching students about the appropriate boundaries of social media is a critical part of establishing and maintaining a truly Christian school environment.

E. DISCIPLINE PROCEDURES AND REGULATIONS

Intellectual Sincerity encourages honesty with regard to homework and exams, respect for others, and respect for rules. Sincerity affects all aspects of life: words, actions, thoughts, and attitudes. It is to be exercised not only with one’s self, but with God and others. Students who are in offense will be disciplined based on the OLPD Discipline Policy.

This policy applies to all school related activities on and off campus. *Individual classroom expectations will be posted in those classrooms.*

All students and employees are to be treated with dignity and respect. Bullying or harassment of

another person of either gender in any form is prohibited. The prohibition against bullying and harassment applies to all students, employees, and volunteers in the school building, on school property, or at any time while representing the school.

OLPH School is committed to a proactive tolerance approach which means that any and all witnessed or reported incidents of bullying or harassment will be addressed appropriately, which may include conferences with students and parents, conducting an investigation, the requirement of outside counseling, and taking disciplinary action as warranted (discipline points, suspension, expulsion).

Prohibited bullying and harassment are defined as, but not limited to, the following behaviors:

Merit System

At OLPH Catholic School, we believe that students deserve a chance to improve themselves in the event that a behavior incident has occurred in which students earn demerit points. Learning from one's mistakes and being offered forgiveness is in keeping with our school mission to help students "foster a relationship with God and enables students to become confident, lifelong learners."

Therefore, our Merit Program has been put in place to offer the opportunity to earn merit points to counteract demerits that have accrued due to disciplinary action. The Merit Program is on a weighted system and is in correlation to the frequency of points accrued.

1st Offense-Students will be allowed to earn one (1) merit point back after two (2) weeks of no further incidences.

Students who are beyond the 1st offense will be required to attend a disciplinary meeting (along with their parents) with Mr. Jette and Mrs. Burns to address further disciplinary action in accordance with the Student Handbook.

F. STUDENT UNIFORM DRESS CODE

Our Lady of Perpetual Help School believes that performance in school is improved by setting and enforcing standards of dress that reflect moral and Christian values as well as pride in one's self and in our school. Therefore, Our Lady of Perpetual Help has instituted a school uniform policy that requires students to wear the approved uniform. **It is important that parents and students take responsibility for following the approved guidelines.** Teaching our students to pay attention to appearance fosters independence, confidence, responsibility, and respect.

When a student is non-compliant with the uniform dress code, the parent will receive a "Uniform Violation Notice" by email. After 3 violation emails, the student will lose the privilege to participate in the next Spirit Day or \$1.00 Out of Uniform Day. After 5 violation emails, the student will have a silent lunch to be served under supervision of a teacher or administrator. A discipline point will be given to a student who receives 6 violations and again with each violation after that. All future out of uniform opportunities will also be taken away at that point.

Many articles of clothing are available in various colors and styles with the OLPH logo. However, only clothing specified in the Student Uniform Dress Code is considered acceptable wear.

Expectations for All Extra-Curricular Participation

All students participating in any extracurricular activity are expected to maintain passing grades for each subject, including conduct. The student's grades and conduct will be monitored each week.

When a student's grades are evaluated and a deficiency is found, the student is placed on academic watch. It is the student's responsibility to check in with their teachers about their grades.

- **Academic/Conduct Watch:** This applies to any student with failing grades in one or more classes or 4 or less discipline points. There is no loss of practice time or participation in activities for Academic Watch.

If grade/average does not improve by next assignment/test the student moves to:

- **Academic/Conduct Probation:** This applies to any student with failing grades in one or more subjects or students with 5 or more discipline points. These students are automatically on academic/conduct probation. Any student who does not improve class grade/average or has disciplinary issues while on Academic/Conduct Watch moves to Academic/Conduct Probation for the next week.
 - **For Athletics:** Academic Probation means a student can only practice 2 days a week, and there will be no dressing out for games. (No spirit day, no game day uniform; they may be on the field with team but they will not be dressed out in uniform). The student stays on probation until grade/average improves to within the "academic standard" and no additional behavior points are received during the probation period. Behavior probation remains in place for one week.
 - **For Other Extracurricular Activities:** Academic Probation means a student can only participate in the activity at the discretion of the supervisor of the activity. Any competitions that occur during this Academic Probation will not be attended by students on Academic Probation. The student stays on probation until grade/average improves to within the "academic standard". If teachers report that students are working hard and showing improvement, then the students may return to participate the following week. If after two weeks the student does not have passing grades, he/she will be suspended from extracurricular activities until a passing grade is restored.

While a student is on **Academic Watch** or **Academic Probation**, teachers will incorporate the following strategies to facilitate improvement:

- RenWeb serves as notice to the student and parents that special attention may need to be given by the student to his/her academics.
- Coaches/Persons in charge of activities will be notified that students are on **Academic Watch** or **Probation**.
- Attendance in an approved tutoring arrangement is highly encouraged.
- The athletic director, teachers, coaches, and/or administration will monitor the student grades and conduct. If a student has not made satisfactory progress with established deficiencies and the above strategies have not been successful, the administration will determine continued eligibility status.
- Parents have the discretion to remove their child from any extracurricular activity.

SPORTS UNIFORMS/EQUIPMENT POLICY:

- Uniforms and equipment will be issued to the student by the head coach and/or Athletic Director.
- Any uniform or equipment that is not returned at the end of the season must be paid for by the student at replacement value.
- All school sports uniforms and equipment must be returned in good shape and in a timely manner at the end of the sports season or no other sports equipment will be issued, grades will be held or other consequences may be issued by the Athletic Director and/or the principal.

Parents and students should make all arrangements for after school activities before children are dropped off at school. **Messages from parents will be delivered to students in a timely manner.**

Visitors: Visitors, including parents, are to enter the school through the secured "archway" and sign-in in the office. No visitors are allowed on exam days or when other schools are dismissed for the holidays. Special permission must be obtained from the teacher and principal to bring a guest to school. The student must accompany his/her guest throughout the day and be responsible for his/her conduct.

Parties: Classroom parties are scheduled with the teachers. Gifts to other students may not be distributed during class. **Invitations to private parties may not be distributed at school unless all students of the same gender within a homeroom are invited.**

Lost and Found: The lost and found box is located in the hallway just past the school office. All items not recovered at the end of each nine-week marking period are donated to the Ladies of Charity. Every item owned by a student should have his/her name clearly written on it.

MORNING DROP-OFF Procedure: All cars enter through church parking lot. PreK students are to park in the school lot in front of the gym and escort their students to class. Kindergarten students will unload on the side of the kindergarten building. A kindergarten teacher/aide will assist. PreK and Kindergarten will then feed back into the drop off line that proceeds around the back of the gym. The archway will be blocked during drop-off - all cars exit via the back of the gym. All other students (1st - 8th) are to be dropped off at the back of the gym. For safety reasons, all parents walking their students into the school must park in the main church parking lot (Lot A). Other than school and parish staff, parking in the back parking lot is not permitted during drop-off. Drop-off is over when the teacher on duty has left and/or the red light in the office is turned on.

AFTERNOON PICK-UP Procedure: All grades will dismiss together at the same time. Pick up will take place at the back of the gym. All cars must enter through the church parking lot and exit through the driveway behind the gym. Students may not walk to any car in any parking lot without adult accompaniment.

- Car Dismissal
 - All families will be given a name plate to display for afternoon pick-up. This must be visible to teachers on duty for safe and efficient dismissals.
 - Students will be released only to the car displaying their names. Families that carpool will be responsible for letting the school office know that they need extra name plates.
 - To alleviate unnecessary back-ups, if a student is not present when his/her name is called, parents may be directed to a designated parking place to wait.
 - No child will be dismissed to an unidentified car without prior parent notification.

- Walk-up dismissal

- PreK - K - Parents can pick up students in Madonna Hall
- Grades 1 -8 walk-up dismissal parents will wait outside the gym doors nearest the multipurpose room entrance.
