

# Stepping Up to Kindergarten Summer Camp 2017

Dear Parents,

We are truly looking forward to having your child in our "Stepping Up to Kindergarten Camp" this summer. This camp experience provides a wonderful transition for in-coming kindergarten students. They are able to become familiar with our school and teachers in a relaxed atmosphere.

Through hands-on activities, children will have fun experiencing religion, language arts, math, science, social studies, art, and music. These experiences will provide a great introduction to the kindergarten environment. The children will enjoy recess and snack too! Who could imagine that school could be this much fun?
